Dear Dr. Burtnette:

In cleaning up my desk the other day, I ran across the two plaster impressions of the Queen Caroline medal you sent us a while ago, and I was especially struck by the hardness of the material which you used.

Could you, without too much trouble, tell me the make of plaster - as I presume the pieces were made of plaster-of-Paris.

Very truly yours,

Curator

Dear Dr. Burtnette:

I beg to thank you very much for the information with regard to the composition used in the cast sent me. I was unaware of this material and shall be glad to call on Mr. Healey and learn more about it.

With renewed thanks, I am,

Very truly yours,

Curator
